MATERIALS

Each of the materials we stock have a specific benefit and can be utilized in any number of formats. As with the products, here is a list of our most popular materials and their uses.

PHOTO GLOSS PAPER

INDOOR

Ideal for indoor posters or photo prints. This lightweight material features a high gloss finish for extra vibrant colors that pop.

INDOOR VINYL

INDOOR

Lightweight yet tear-resistant, this polypropylene vinyl features a matte finish. Excellent choice for indoor posters and banners.

OUTDOOR VINYL

OUTDOOR

Made with a water resistant scrim vinyl, this durable material is ideal for outdoor banners. A matte finish reduces sun glare.

CORRUGATED PLASTIC

INDOOR/OUTDOOR

An economical alternative to other rigid sign materials. Offers great value for short-term use. Perfect for small yard signs.

PVC FOAM BOARD

INDOOR

Brighter white and more rigid than other foam board choices, this 3/16" thick material is our most popular, and for good reason.

POLYSTYRENE

INDOOR/OUTDOOR

Pliable with exceptional durability makes this material ideal for menu boards, point-of-sale signs, industrial signs and more.

MAGNETS

INDOOR/OUTDOOR

Advertise on the road with our car and truck magnets. Made of durable .030 magnet material. Standard with rounded corners.

ALUMACORE

OUTDOOR

2 pieces of white aluminum with corrugated plastic in the middle. Used primarily for large signs that need extreme durability.

PERFORATED WINDOW VINYL

OUTDOOR

Great for any storefront, this material will not obstruct the view of those inside, while your message shines on the outside. Installation available.

BACKLIT FILM

INDOOR

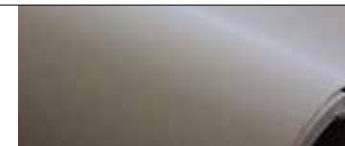

For use in light boxes, this high quality film provides razor sharp printing and high contrast that looks good day and night.

CANVAS

INDOOR

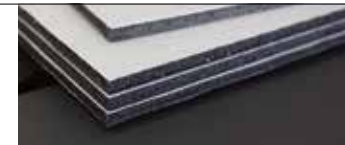

Great for art reproductions and family portraits, this 21mil, premium, matte canvas is optimized for stretching without cracking.

BLACK GATOR BOARD

INDOOR

Made from dense polystyrene foam for added strength. White face allows for color images to print vividly with sharp, high contrast.

STATIC CLING

INDOOR/OUTDOOR

A true adhesive-free material, our white static clings stick to your windows without the messy residue other signs can leave behind.

CUSTOM

INDOOR/OUTDOOR

There are an endless number of options available to print on. Anything from plywood and plexiglass to masonite and fiber board.

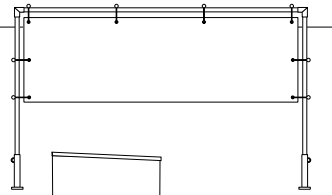

ACCESSORIES

In order to make it easier for you to reach your customers, we now offer a variety of accessories that work with the different sign types and material.
